

توزيع الطلاب على امتحان التدريب الصناعي – صيف ٢٠٢٢
طلاب برنامج هندسة الاتصالات والحاسبات (CCE - CCEe)

The students who are registered for IT1 and IT2 during Summer 2022 will sit for the final oral exam on Sunday 9th of October 2022 at the seminar room (Library) - Electronics and Communications Engineering Department – 2nd Floor. The details of the exam schedule are shown in the attached files.

Since the schedule is very tight, the following precautions must be followed strictly:

- 1)The schedule has been prepared according to the details at the end of phase-2 of registration. However, **only students listed in the final jury list will be examined.**
- 2)Students who fail to attend in the preannounced time slot will not be examined and will be considered as absent.
- 3)The schedule has been prepared carefully to match the gaps in each student timetable, however, very few will have to excuse lectures/tutorials in time.
