As earlier announced the Virtual Summer Internship opportunity (August-September) in NOKIA-EGYPT is launched. Interested students are invited to apply online. However, as agreed with Nokia, we can share with them an excel sheet with the referral candidates from our end with their full names/email addresses and CVs for quick access to us and to ensure that they are registered in our program.

You can send the above material to my email address: kirolous@eng.cu.edu.eg
